

One in **four**
Alabama
residents will be
affected by
mental disorders.

THERE WAS A TIME
WHEN MENTAL
ILLNESS MEANT NO
HOPE.

*With understanding,
treatment & support,
individuals with mental
illness can live
productive and satisfying
lives.*

TUSCALOOSA Mental Health Alliance

TMHA is a 501c3 nonprofit organization with a mission to provide a structured arena for addressing mental health issues, concerns and scope of services in our community.

Our members represent more than 50 West Alabama agencies.

Alliance members provide mental health support and outreach efforts and work in tandem to increase community awareness and advocate on behalf of those facing the challenges and stigma of mental illness.
